### **Welcome**

- Steve Ketter brings meeting to order
- The next meeting date: January 21, 2015 @8:30 am at BCI
- The board moves on to the July meeting minutes; Don DeLaMare motions to approve them, Steve Ketter seconds and all are in favor.

- The board moves to applications; they spent an hour before the meeting started looking over the applications to ensure all 21 have everything needed.
  - Steve Ketter suggests to pull out all the applications that may need discussion. They set aside: Robert May, Michael Bonin and Tyeastsha Howard. They then move on to the other applications and have agreed to approve as 1 vote for each license type.

### **Apprentices**

- Chief Shepherd motions to approve: Ricka Odonnell, Christopher Gerke, John Tidwell and Nicholas Ward as apprentices; Joshua Massey seconds and all are in favor.

### **Recovery Agents**

- Don DeLaMare motions to approve: Brian Cogburn, Deon Price, Rasheed Bonds, Vaughan Dunlap, Courtney Yeager, Kenneth Gordon, Marilu Quiroga, Don Haworth, David Lyon, Sasha Bajzek, Terry Dieterle, John Howard and Juan Martinez as recovery agents. Chief Shepherd seconds and all are in favor.
- The board moves to the applications that they would like to discuss:
  - Robert May: Mr May hasn't taken the Bail Enforcement Academy course yet. He is set to take it the beginning of November. State statute (53-11-108(4)(b)) allows an applicant to submit an application without the class being taken if everything else is included in the app. Steve Ketter motions to approve Mr May's application based on his BEA course certificate from KORR Defense Group BEA training being submitted to BCI.
  - Tyeastasha Howard: The board discusses Ms Howard's criminal record. The record doesn't look like it has convictions but there may be a disposition that isn't updated. The Attorney General's representative looks over the record with them and they come to the conclusion there is no conviction. Steve Ketter motions to approve Ms Howard's license, Chief Shepherd seconds and all are in favor.
  - Michael Bonin: The board discusses Mr Bonin's record. They discuss whether they deem the old charges to be a disqualifier or not. The Attorney General's representative looks up the IL statute for one of Mr Bonin's charges and it is equivalent to the Utah State code for open container. Steve Ketter and Don DeLaMare agree with Chief Shepherd that the charges are old and that they are no longer disqualifiers. Joshua Massey disagrees and explains his thoughts. After more discussion, Steve Ketter motions to approve, Chief Shepherd seconds and all but Joshua Massey agree. The majority approved Mr Bonin's license and therefore his license is approved.
- There is nothing else for the board to discuss, so the meeting is adjourned until January 21, 2014 at 8:30 am.
